"Not Your Grandpa's Hayride"

Hop on a handsome hay wagon and take a comfortable ride with up to 16 friends on a behind the scenes country farm tour. You will see Bridgewater's gorgeous and colorful vistas as well as a glimpse into the life of the New England cowboy!

The Unforgettable Experience

Your experience will start and end at The Town Line Farm Preserve on Town Line Road. At the start as you gather to board the wagon, you can wet your whistle with a cowboy cocktail. On board there will be a fully-stocked selection of snacks, soft drinks, beer and wine. Your journey begins with a climb to the top of the Town Line fields for a round bale photo op. Next, you will cross town and take in the views at Bald Man's Head where you will be greeted by some authentic cowgirls on horseback. Down the road at the Wright-Carlson Preserve, hang on to your hats as you will be immersed in an active cattle drive. Guests will then hop off to take a break at the OK Corral and enjoy a Bronco Brew and all-natural local beef sliders hot from the grill. Expect some local characters to share a few cow tales along the way.
